Forecast For East of England
Issued by Met Office Exeter
at 0400 on Monday 08 Nov 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Chilly start, then a dry and bright day.

Today:
A chilly start, but otherwise a bright morning with sunny spells and light winds. Cloudier conditions and a freshening breeze developing from the west through the afternoon, but staying dry into the evening. Maximum temperature 12 deg C (54 deg F).

Tonight:
Mainly cloudy with patchy, light rain affecting the region through the evening and through the early hours. A little breezy on northern coasts, but calmer inland. Minimum temperature 8 deg C (46 deg F).

Tuesday:
A generally dry but rather cloudy morning, with any rain likely to be very light. Staying dry but cloudy into the afternoon and evening ahead of rain overnight. Maximum temperature 14 deg C (57 deg F).

Outlook for Wednesday to Friday:
Cloud and outbreaks of rain throughout Wednesday, perhaps a little drier in far north later. Drier and brighter across much of the region on Thursday and Friday. Feeling mild.
